

Website and Mobile Apps Privacy and Cookies Policy

Introduction

This is the privacy and cookies policy for emtcloud.io (“Site”) and each of our web and mobile Apps that we make available from time to time (“Apps”). The Site is operated, and the Apps are provided, by MobiBiz Ltd, trading as MobiBiz (we, us and our). For the purposes of the Data Protection Act 1998, we are the data controller. We are committed to protecting your privacy on-line. We appreciate that you do not want the personal information you provide to us distributed indiscriminately and here we explain how we collect information, what we do with it and what controls you have.

By using the Site or any App, you consent to the collection and use of information in accordance with this privacy policy. We reserve the right to change this privacy policy from time to time by changing it on the Site or by updating the relevant App. This privacy policy was last updated on 13 April 2015.

Information we may collect from you

We may collect and process the following information about you:

- information (such as your name, email address, postal address and telephone number) that you provide by completing forms on the Site or any App, including if you register as a user of the Site or any App, create an account, subscribe to any service, upload or submit any material via the Site or any App, request any information, or enter into any competition or promotion we may sponsor;
- in connection with an account sign-in facility, your log-in and password details;
- details of any payment transactions made by you through the Site or any App;
- communications you send to us, for example to report a problem or to submit queries, concerns or comments regarding the Site or any App or its content; or
- information from surveys that we may, from time to time, run on the Site or any App for research purposes, if you choose to respond to, or participate in, them.
- You are under no obligation to provide any such information. However, if you should choose to withhold requested information, we may not be able to provide you with certain services.

When you visit the Site or access or use any App, we may automatically collect additional information about you, such as the type of internet browser or mobile device you use, any website from which you have come to the Site and your IP address (the unique address which identifies your computer or mobile device on the internet) and your operating system, which are automatically recognised by our web server. You cannot be identified from this information and it is only used to assist us in providing an effective service on the Site or App and to collect broad demographic information for aggregate use.

If you use functionality within any App to send a link to content you have submitted via the Site or any App and the recipient is not yet an App user or does not yet have an account

with us, we may use the contact details you provide to email that person to let them know about our products and services which may be of interest or to ask them for feedback so that we can improve our products and services.

We will only use other people's contact details that we obtain from you for the stated purpose (and never for general marketing purposes). By sending links to other people from within any App or by otherwise providing us with their contact details, you confirm that you have their permission to do so and to let us use their contact details to contact them for the purpose explained above and you must not send links to, or otherwise provide us with contact details of, anyone from whom you do not have such permission. We reserve the right to identify you as the person from whom we obtained their contact details in any email we send to them.

Cookies

When you interact with the Site or any App, we try to make that experience simple and meaningful. When you visit our Site or access or use any App, our Web server sends a cookie to your browser. Cookies are small pieces of information which are issued to your computer or mobile device (as the case may be) when you visit a website or access or use a mobile App and which store and sometimes track information about your use of the Site or App (as the case may be). A number of cookies we use last only for the duration of your web or App session and expire when you close your browser or exit the App. Other cookies are used to remember you when you return to the Site or App and will last for longer.

We use cookies to:

- remember that you have visited us before; this means we can identify the number of unique visitors we receive. This allows us to make sure we have enough capacity for the number of users that we get;
- customise elements of the promotional layout and/or content of the pages of the Site or App;
- collect anonymous statistical information about how you use the Site or App (including how long you spend on the Site or App) and where you have come to the Site or App from, so that we can improve the Site and learn which parts of the Site and which functions of the App are most popular with users; and
- Some of the cookies used by the Site are set by us, and some are set by third parties who are delivering services on our behalf.

Most web and mobile device browsers automatically accept cookies but, if you prefer, you can change your browser to prevent that or to notify you each time a cookie is set. You can also learn more about cookies by visiting www.allaboutcookies.org which includes additional useful information on cookies and how to block cookies using different types of browser or mobile device. Please note, however, that by blocking or deleting cookies used on the Site or App, you may not be able to take full advantage of the Site or App (as the case may be).

For detailed information see About Cookies

In addition to cookies, tracking Gifs may be set by us or third parties in respect of your use of the Site or App. Tracking Gifs are small image files within the content of the Site or App or the body of our newsletters so we or third parties can understand parts of the Site are visited and which functions of the App are used and whether particular content is of interest.

Uses made of your information

We will use the information you provide to:

- enable us to provide you with the services and information offered through the Site or App and which you request;
- administer your account with us;
- verify and carry out financial transactions in relation to payments you make online;
- audit the downloading of data from the Site or App;
- improve the layout and/or content of the pages of the Site or App and customise them for users;
- identify visitors to the Site or App;
- carry out research on our users' demographics and tracking of sales data;
- send you information we think you may find useful or which you have requested from us, including information about our products and services or those of carefully selected third parties, provided you have indicated that you do not object to being contacted for these purposes.

You can tell us not to contact you with information regarding our products and services or those of third parties, either at the point such information is collected on the Site or App (by checking or un-checking (as directed) the relevant box) or, where you do not wish us to continue to use your information in this way, by following the unsubscribe instructions on any communications sent to you. You can also exercise the right at any time by contacting us using the Contacting us details at the end of this privacy policy.

Information sharing

We may disclose aggregate statistics about visitors to the Site, users of the Apps, customers and sales in order to describe our services to prospective partners, advertisers, sponsors and other reputable third parties and for other lawful purposes, but these statistics will include no personally identifiable information.

We may disclose your personal information to any of our affiliates, or to our agents or contractors who assist us in providing the services we offer through the Site or App, processing transactions, fulfilling requests for information, receiving and sending communications, updating marketing lists, analysing data, providing support services or in other tasks, from time to time. Our agents and contractors will only use your information to the extent necessary to perform their functions.

In the event that we undergo re-organisation or are sold to a third party, you agree that any personal information we hold about you may be transferred to that re-organised entity or third party.

We may disclose your personal information if required to do so by law or if we believe that such action is necessary to prevent fraud or cyber crime or to protect the Site or any App or the rights, property or personal safety of any person.

Public forums

The Site may, from time to time, make chat rooms, message boards, news groups and/or other public forums available to its users. Any information that is disclosed in these areas becomes public information and you should exercise caution when using these and never disclose your personal information.

External links

The Site and Apps may, from time to time, contain links to external sites. We are not responsible for the privacy policies or the content of such sites.

Security

We place great importance on the security of all personally identifiable information associated with our users. We have security measures in place to attempt to protect against the loss, misuse and alteration of personal information under our control. For example, our security and privacy policies are periodically reviewed and enhanced as necessary and only authorised personnel have access to personal information. Whilst we cannot ensure or guarantee that loss, misuse or alteration of information will never occur, we use all reasonable efforts to prevent it.

You should bear in mind that submission of information over the internet is never entirely secure. We cannot guarantee the security of information you submit via the Site or any App whilst it is in transit over the internet and any such submission is at your own risk. It is advisable to close your browser when you have finished your user session to help ensure others do not access your personal information if you use a shared computer or a computer in a public place.

Storage of your information

Information that you submit via the Site or any App is sent to and stored on secure servers located in the UK. This is necessary in order to process the information. Your information is never transmitted or stored outside the UK.

Your rights

You have a legal right under the Data Protection Act 1998 to a copy of all the personal information about you held by us. On request, we will provide you with a copy of this

information. You also have a right to correct any errors in that information. As mentioned above, you have a right to prevent the use of your personal information for direct marketing purposes.

Contacting us

Please submit any questions, concerns or comments you have about this privacy policy or any requests concerning your personal data to help@emtcloud.io
